

# Family Preservation Services (FPR)

*Family Preservation Services provides family-focused, behavior-oriented, in-home counseling, and support to youth who are at substantial, risk of placement or for children returning to the home from out-of-home care. Services provided include:*

- **Crisis Stabilization** -services delivered by Professional Staff that are short-term, acute, and use an active and systematic approach to stabilization.
- **Engagement** - activates aligned with the principles and skills associated with Motivational Interviewing.
- **Parenting Strategies** -helping and teaching parents and caregivers to learn and use the skills they specifically need to safely parent their children.
- **Family Resources** - Engaging families to strengthen parent advocacy, identify personal growth opportunities, and identify accessible and supportive natural supports and community resources that directly support child safety in the home.
